

NATIVE SPEAKER

Hello Mums, Dads and children!

I have been working in VS Semriach as a 'Native English Speaker' since 2006.

I share my work time between different schools teaching English and also running my Tennis school in Judendorf.

Having spent my whole life involved in Sport ,we decided to run the English lessons with the 1. class children in the gym! Also we take part in the basketball Schulcup with the 3. classes.
